***Why we require a Credit Card Authorisation Form***

*That's easy – for your protection. Because of the increasing amount of online credit card fraud, Direct Flights requires that everyone wishing to pay for travel with a credit card complete and send in our Credit Card Authorisation Form **WITHIN 12 HOURS OF BOOKING** before we process the transaction. That way you are better protected and we are better protected against false card use, until a time where better security measures are in place for online credit card transactions.*

*Should you not wish to fill out this Credit Card Authorisation Form, and should time and booking conditions allow, we allow for Electronic Funds Transfer, Bpay, and bank cheque for offline payments. Please contact us at [bookings@directflights.net](mailto:bookings@directflights.net) immediately to arrange an offline option, as time restrictions may exist. Cancellation fees may also apply, should alternate payment methods not be secured within 12 hours of making the booking.*

*If you have any questions please don't hesitate to contact us at [bookings@directflights.net](mailto:bookings@directflights.net), and we will be more than happy to help.  
Happy travels!*
